Firm seeks sponsors for cycling event

Sponsors are needed for the first-ever Cycling for Meso event being held in Edwardsville on the Madison County trails on April 26.

The event, organized and hosted by Gori Julian & Associates Inc., P.C., will benefit the Mesothelioma Applied Research Foundation, which works to support families and victims of Mesothelioma, according to a press release.

Cyclists of all ages are invited to participate in the event, which will include two cycling paths along the Madison County

trails. Individual cycling enthusiasts and families are encouraged to participate. The event will begin and end at the N.O. Nelson Campus of Lewis and Clark Community College across from Market Basket.

Registration is \$25 per person or \$15 per child under 12 if received prior to the day of the event or \$35 per person, \$15 per child under 12 if registering the day of the event. Registration begins at 7 a.m. The cycling event will begin at 8 a.m. and end at approximately noon. Two routes, a 3.5-mile route

and a 10-mile route, are available for participants to choose.

There are many ways to sponsor the event. Sponsorships are available from \$250 to \$1,000 and include a variety of promotional opportunities. A silent auction will be held in conjunction with the event so auction item donations are encouraged as well as cash donations.

For more information about sponsorship opportunities, or to register for the event, visit www.cyclingformeso.com. Call Krissy at 618-307-4085.
